

“The ER was busy, but you would think that I was the only patient there!”

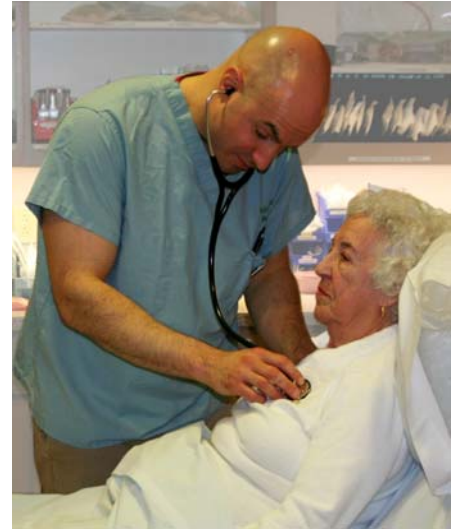

Dear Friend of York Hospital,

We were there for Felicia—to save her life in a time of desperate need—and we will be there for you, too!

On the morning of July 27th I experienced a life threatening event at the York Golf Course.

*Within minutes the ambulance arrived and stabilized me. Upon arriving at the York Hospital Emergency Room everyone **responded immediately**. The ER was busy, but you would think that I was the only patient there!*

*The doctors, nurses and other personnel **worked tirelessly** in treating me and **making me feel safe**. I can say that I have experienced your vision of loving kindness and I want to thank you for making York Hospital the great, caring hospital that it is. ~ Felicia Moulton*

‘I knew that I was in good hands!’

For Felicia, and for the thousands who come to us every year for care, York Hospital must always be ready to provide immediate care by a skilled medical team with the very best technology to support them. But to continue our mission – to provide exceptional care – for you and every patient, **we need your help**.

Your generous gift of \$50, \$75, \$100 or more to York Hospital will make a real difference in our ability to deliver **personal, expert and compassionate care** close to home.

Whether you come to us like she did, in a life threatening emergency, for an ongoing condition or even for one of the happiest of times, the birth of a child—**York Hospital is here for you**.

Thank you for considering a special gift to York Hospital. On behalf of the staff, we genuinely appreciate your loyalty and generosity.

Warm regards,
